

Infinite Possibilities.

We are a Global Provider of Connectivity Solutions,
Consisting of a Diverse Family of Leading Brands

Infinite Electronics Family of Brands

Infinite Electronics is a leading global supplier of electronic components, with a comprehensive portfolio of highly recognized and trusted brands. We serve the urgent needs of engineers through a wide offering of products and custom solutions, same-day shipping capabilities, and world-class technical support.

ELECTRONIC COMPONENTS & ASSEMBLIES (ECA) DIVISION

Global supplier of more than 40,000 reliable RF components and assemblies, able to support urgent requirements with same-day shipping.

Manufacturer of wired and wireless connectivity products as well as custom solutions for the electronics and communication industries.

Expansive portfolio of in-stock IT, voice, video, and data network cables and connectivity products.

Technology company specializing in cabling, IT and network installation services.

Designer and manufacturer of innovative RF surge protection solutions, in-stock and available for same-day shipping.

Key frontline products for the assembly and maintenance of high-reliability electrical connectors.

Provider of high-quality RF components and assemblies, offering same-day shipping on in-stock items.

Comprehensive line of MIL-STD-1553B electronic components and cable assemblies, in stock for same-day shipping.

Reliable IT, network and A/V infrastructure components including equipment racks, cabinets, cables, adapters, and accessories.

Manufacturer of the most reliable fiber optics transceivers and components available.

Innovative power and signal integrity solutions, including AC, DC, data and EMP surge protection products, same-day shipping available.

Industry leader in the design and manufacture of ruggedized and high-reliability interconnect solutions.

INDUSTRIAL CABLE CONNECTIVITY (ICC) DIVISION

Leader in specialty cables, connectors, and systems built to withstand extreme environmental conditions.

A leader in the provisioning of high-quality, specialized cable solutions designed to meet a wide range of industrial needs.

Expert in specialized high-quality cables and connectivity solutions designed for demanding industrial applications.

Premier supplier of cable, wire, and connectivity solutions serving a diverse range of industries and applications.

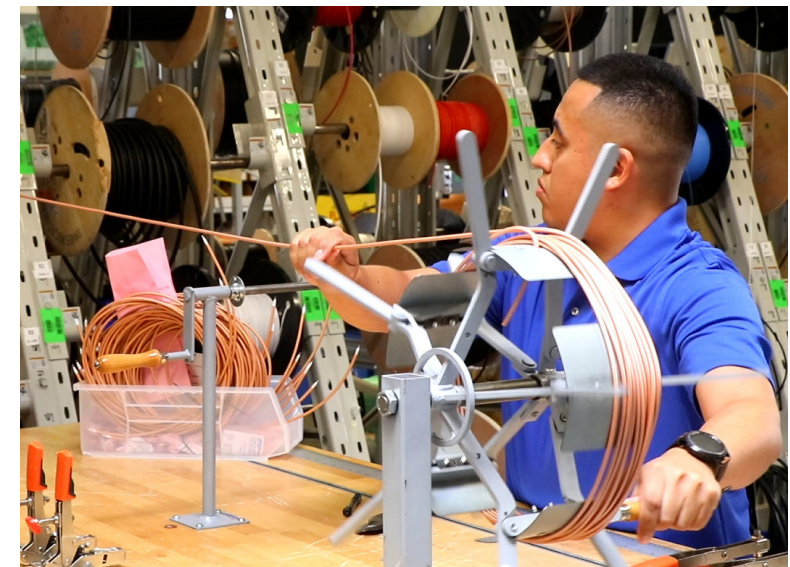

Specialists in producing a wide array of cabling products designed to address demanding applications across a wide range of industries.

Industry leader in providing flexible cable solutions that excel in quality and performance for a wide range of industries.

Leader in cable harness manufacturing sector, exceling in creating high-precision, quality-controlled cable harnesses.

SAME-DAY SHIPPING AVAILABLE
FROM MANY BRANDS

TRUSTED BRANDS
RESPONSIVE SUPPORT
RELIABLE PERFORMANCE

Our portfolio of brands includes industry-leading specialists within their respective product sets, offering broad inventories of engineering-grade products paired with expert technical support and same-day shipping. More than 200,000 customers across a diverse set of markets rely upon the Infinite Electronics family of brands to stock and reliably ship urgently needed products every day.
